

Hi Micheal,

I was thrilled to receive my most recent shipment of 2 Gallons of the "Robust" EVOO. It's funny how it seems the more we have, the more we use.

The 2006 harvest is truly wonderful. My son Stephen who was home for the holidays from The Berklee College of Music in Boston, insisted on taking a small sample back to share with his room mates, one of whom is quite an accomplished Italian chef. He called me last night to tell me that after just two weeks, they finished all he brought back. They made a nightly ritual of having a "bread dunk", and absolutely loved it!

The EVOO has also become a part of my health regime this past year, and something I give much credit to helping my 65 lbs weight loss! I've attached a "Before" picture, from left to right: Trevor Gale (SESAC), myself (at 245 lbs), Peak/Concord Recording Artist Latoya London, and Songwriter/Producer Barry Eastmond. Also attached is an "After" picture of me (at 180 lbs!), accepting an Award for Best Inspirational Song at the first annual Ensound Music Awards Show in NJ just seven months later.

Thank you for sharing this very special oil.

Steve 'Hollywood Music East' Gaspar
